

We need you at Food Well Alliance! Become a corporate partner.

Give back, get your hands dirty and engage with some beautiful, yet often overlooked places! Food Well Alliance provides resources and support to more than 300 community gardens, orchards and urban farms across metro Atlanta. We can't do it without volunteers, and that's where you come in.

Our Corporate Volunteer Program provides an outstanding team-building opportunity for your organization. Get outside and make a difference:

Teams experience a sense of accomplishment as they work together to improve important community spaces.

Tasks include:

- weeding
- mulching
- turning compost
- garden beautification
- planting
- harvesting

(We can also work with you to plan a custom corporate service project.)

Contact DahRah Prince, Sr. Development Manager, at dahrah@foodwellalliance.org for more details.

We provide all tools and instructions and bring the energy to celebrate your team!

We will do our best to accommodate your preference on project size, time of day, and area of town where you prefer to work. For these projects, we request a donation to offset our costs and support our programs:

- \$1,000 for groups of 20 to 35
- \$2,500 for groups of 36 to 50+

Contact DahRah Prince, Sr. Development Manager, at dahrah@foodwellalliance.org for more details.
